Terms of Service

Last updated: November 4, 2026

Terms covering your account, listing submissions, paid options, reviews and use of iThub Directory.

1. Website operator

Navanem Group operates iThub.directory. Postal address: Case Postale, 1211 Genève 6, Switzerland.

Editorial contact: Emanuel DE ALMEIDA. Contact: https://www.ithub.directory/contact. Privacy requests: privacy@ithub.directory.

2. Acceptance

By using ithub.directory, you agree to these terms. If you don’t agree, please do not use the platform.

3. User Accounts

You are responsible for maintaining the security of your account. You must provide accurate information when creating an account or submitting listings.

4. Listings

Listings must represent real products, services, or resources. We reserve the right to remove listings that are misleading, spam, or violate our guidelines. Listing owners are responsible for keeping their information up to date.

5. Paid options and free listings

Approved Free listings have no scheduled expiry and require no payment card.

Pro is an annual USD 99 subscription per listing, renewed automatically until renewal is canceled in the listing dashboard. Active Pro listings receive priority in matching directory, search and category results, regardless of the selected sort, plus eligibility for the rotating Pro homepage selection. The selected sort applies within Pro and Free results. Cancellation takes effect at the end of the paid period. The profile then returns to Free while retaining its URL, essential information and reviews; enhanced content is retained but hidden until Pro is reactivated.

Boost is a USD 9 monthly subscription per published listing. Sponsored visibility starts when payment is confirmed and continues during each paid monthly billing period. It renews automatically until canceled from the listing dashboard. Cancellation takes effect at the end

of the paid period. Sponsored positions rotate among eligible listings; audience size, clicks, sales and search-engine outcomes are not guaranteed. Existing one-time campaigns retain their original end date and do not renew. Contact us about billing errors or service issues. Applicable mandatory consumer rights remain unaffected.

All submissions and substantive edits are subject to editorial review. Claims require evidence of ownership or authorization. Payment does not buy approval, a positive review or editorial endorsement.

6. Reviews

Reviews must be honest and based on genuine experience. Fake reviews, paid reviews without disclosure, or abusive content will be removed.

7. Intellectual Property

Users retain ownership of content they submit. By posting content on ithub.directory, you grant us a license to display, distribute, and promote that content on the platform.

8. Limitation of Liability

ithub.directory is provided as-is. We make no warranties regarding the accuracy of listings or reviews. We are not responsible for any decisions made based on information found on the platform.

9. Changes

We may update these terms at any time. Continued use of the platform constitutes acceptance of the updated terms.
